To Whom It May Concern:

I have had the pleasure of working with C-ME Trim Co., Inc on a large multi-family residential project in the San Marcos area of San Diego over the past year.

C-ME Trim's attention to detail, pride in craftsmanship and speed of construction are all excellent. Their materials and crew are among the best and as a result our project has continued to stay on schedule throughout its course.

With C-ME Trim's knowledge, experience and commitment to please I have recommended and will continued to recommend their services to anyone looking for a subcontractor who provides high quality workmanship completed on time.

If anyone has any questions about C-ME Trim's work or would like to tour our project site to see their work, please feel free to have them give me a call.

Sincerely,

Steve Hodge
